BONDS BURNED

Unusual Ceremony at the Christian Church Yesterday Morning

An event of the utmost importance to the Christian Church took place at the morning service yesterday, when, in the presence of the large congregation, the several bonds which had been held as liens against the Church property were burned.

Last November a move was put on foot to wipe out the indebtedness which had so long been hanging over the Church, and how faithfully the work had been done was shown yesterday.

The paid-off bonds were presented at the service, and were taken to the Pastor's Study and destroyed, thus leaving the Church, for the first time in its history, free of debt.

The Rev. Archibald McLean of Cincinnati, President of the Foreign Christian Missionary Society, delivered two very able and eloquent sermons at the Church yesterday.

GEORGE R. SHIPLEY.

Mr. George R. Shipley died yesterday morning at 6 o'clock at his home in the East End.

He was a son of George W. and Mrs. Sarah Ann Shipley, and was born August 12th, 1854, near Northfork.

He was twice married, his first wife being Miss Nannie McGowan Turner of Fleming county, and of this union a daughter was born, Miss Ella Shipley.

His second wife was Miss Alice B. Mason.

He was a thorough Christian and for many years a pillar in the Stonelick Baptist Church. None stood higher in the congregation for Christian zeal and piety than he.

His home was always an abiding place for the circuit Preacher, all whom loved him as a brother.

Mrs. Watts was about 75 years old and will be remembered by our older citizens as Miss Anna L. Mountjoy.

Her first husband was a Mr. Fleetwood and her second Judge Thomas Watts, who survives her.

Mrs. Watts was a niece of Peter Lashbrook and a cousin of Mrs. McIlvain of West Third street.

LOCAL TRAFFIC

The C. and O.'s Freight Service While the River Was Blocked

What would Maysville have done without the C. and O. Railway during the past two months, when the Ohio river was blocked by ice?

Below is an accurate statement of the carload freight handled to and from this city during those two months, kindly furnished THE LEDGER by Colonel W. W. Wikoff, the efficient Agent of the C. and O.—

	January.	February.
Carloads for special sidings.....	117	146
Merchandise cars for House.....	176	234
Cars put on Docks.....	101	139
Carloads forwarded.....	369	227
Total carloads handled.....	603	736
A grand total of 1,339 for the two months.		

In addition to the above, there was an average of 25 loads per day, or 750 per month, handled by the two local freights which make Maysville their daily terminus, or from 1,400 to 1,500 cars per month handled at this Station.

An accurate record is kept of all these cars—seals, good or bad order cars, train received and forwarded by, condition of freight, over, short or damaged. Also, placing cars for loading or unloading on any of the fifteen sidings, to say nothing of trying to please those patrons who have an idea that the rules and instructions given the Agent by the railway officials were not intended to be lived up to.

Reuben R. Houghton, born near Bluelick Springs April 9th, 1836, died recently at his home at Felicity, O.

Canvas Cloth 25c Yard.

We have had enquiries by the score for more of these soft, clinging, sheer fabrics. The mill has apparently had the same experience for it has kept us waiting till this week to fill our orders. Plenty now in a beautiful champagne shade, a pure clear white, rich navy and delicate blue. This is the fabric so popular for shirt

waists, and collar-cuff sets to be embroidered in Russian cross stitch.

The New Dress Goods.

The continued style is toward clinging fabrics. Chief in favor are voiles—and their name is legion—then the eolienne, etamines, mohairs and crepe de chine. Other popular lines are in the open work weaves—some thin, others quite heavy, the designs looking like they were hand drawn. Some of the mohairs are in exquisite iridescent effects. Prices range from 50c to \$2.50 a yard. With a splendid variety at 75c and \$1.

"It is the law of American politics that no man can make himself a candidate for President, and no man can prevent himself from being a candidate for President."—From a statement made by the late James G. Blaine.

WHAT does the present city taxpayer owe posterity anyhow?

If it will re-establish Russia's friendship for Uncle Sam, he might send over what is left of JOHN L. SULLIVAN to help fight the Japs.

WALLACE H. HAM, Boston Manager of the American Surety Company, got away with \$104,000, proving that he is a "ham" in name only.

THE Times-Star Curiosity Shopkeeper says "Maysville is the oldest town in Kentucky." If he had said it was the muddiest, he'd hit nearer the bulls-eye.

THE Jett-White trials at Cynthiana appear to have been productive of nearly as much perjury as the Powers-Howard trials at Frankfort and Georgetown.

WALKING DELEGATES will probably order a boycott on Judge HOLMES of Telluride, out in Colorado. A few days ago a batch of striking miners were arrested for vagrancy and the Judge fined them. Then he gave them two hours to leave town, go to work or go to Jail. Evidently, Judge HOLMES is a man of considerable anagosity.

UNCLE SAM'S Postmaster at Junction City, Ark., has sent in his resignation for immediate acceptance. He says four members of his family have been assassinated within fifteen months, and he wants to leave the state while the walking is good.

YOUR Cincinnati highwayman respects neither person nor place. In broad daylight, in the lobby of St. Peter's Cathedral, and just across the street from the Mayor's office, two brigands attacked and robbed the seventeen-year-old daughter of an undertaker. Kentucky can't beat that.

HON. WILLIAM C. HALBERT of Vanceburg announces in The Sun his candidacy for Delegate from the Ninth District to the Chicago Convention. As Lewis county has not had this honor for twenty years, and as she is one of the rock-ribbed Republican counties of the District, it looks like she ought to have it now. It is understood that Mr. HALBERT will support Governor BRADLEY for Delegate-at-Large, and he says he is for ROOSEVELT for the Presidential nomination.

IF THE LEDGER mistakes not, Mr. A. W. MACHEN, the "Republican" convicted of crookedness in the Postoffice trials at Washington, is a Democrat, who broke into office under Mr. CLEVELAND's first Administration. In 1891 The Ledger Man had some official business with Mr. MACHEN in person at his office in Washington, in connection with the introduction of the Free Delivery Service in this city; and there wasn't a more gentlemanly or a more obliging official in the Department. This is more than can be said of BRISTOW.

Stop... Coughing!

...This is not a command—only a suggestion. We suggest that you stop that slight cough before it becomes too late. Oftentimes people say "Oh, it is only a slight cough; it will soon wear off." The cough grows worse, and they have to resort to strong medicine and perhaps have a long sickness. If in the beginning they had used a mild remedy they would have saved themselves and others a great deal of trouble and worry. There is nothing so annoying as a hacking cough; it not only disturbs the one who is coughing, but it disturbs and annoys every one who is in hearing. To those who are troubled with a cough we suggest a bottle of...

Maysville Citizens Gladly Testify

It is testimony like the following that has placed "the Old Quaker Remedy" so far above competitors. When people right here at home raise their voice in praise there is no room left for doubt. Read the public statement of a Maysville citizen:

Mr. Elias Scudder, nurseryman, residing at 215 Casto street, says:
I had a good deal of pain at times in my right kidney and it constantly grew more persistent. When I learned of Dean's Kidney Pills I could hardly sit down on a chair or rise without placing my hands to my back, and should I thoughtlessly bend over it pained me severely to straighten. I procured Doan's Kidney Pills at J. J. Wood & Son's Drugstore, corner of West Second and Market streets, and their use effected an absolute cure.

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

GERMAN SYRUP.
We want to impress on our readers that Boschee's German Syrup is positively the only preparation on the market today that does relieve and cure consumption. It contains the specifics, such as pure tar, extracts of gum, etc., which have been so highly indorsed for the cure of coughs, colds, and consumption by the great medical congresses. The consumptive, whether his disease is in the throat or lungs, must have rest at night, and be free from the spasms of dry and racking cough in the morning. The diseased parts want rest, healing and soothing treatment, and the patient needs fresh air, good food, etc. German Syrup will give free and easy expectoration in the morning with speedy and permanent relief. And Then Decide for Yourself Whether or Not You Will Try Vinol on Our Guarantee to Make You Well and Strong.

I, J. C. Pecor, Druggist of Maysville, declare Vinol to be the most valuable and delicious preparation of cod liver oil, the greatest health restorer and strength creator we have ever sold in our store. Vinol is not a patent medicine, but it contains in a concentrated form all the vital principles of cod liver oil, without a drop of oil to upset the stomach and retard its work. We hereby agree to refund your money if Vinol fails to create strength for old people, weak, sickly women and children, nursing mothers, or after a severe sickness. Vinol cures hard colds, hacking coughs, bronchitis and all throat and lung troubles.

In addition to the great good Vinol is doing in Maysville we are constantly hearing from it in other places. Mrs. W. T. Burns, National Correspondent W. R. C., writes: "I was all run down, no appetite, weak and nervous. Vinol worked wonders for me—made me well and strong." Sheriff Barker, Chattanooga, Tenn., writes: "I suffered for years with chronic stomach trouble; all medicines and doctors failed to help me, but Vinol cured me completely."

That noted woman, Mrs. Rose Hawthorne Lathrop, writes: "Vinol restores appetite and will infuse new life and strength into weak women and children when everything else fails."

Mrs. Sarah J. Windrom of Chicago, grandniece of Alexander Hamilton, writes: "Vinol is a godsend to old people; it invigorates and strengthens as nothing else can."

Mrs. J. G. Brown of Anderson, Ind., writes: "Our daughter was given up to die in consumption, but Vinol cured her." Try Vinol on our guarantee. J. C. Pecor, Druggist.

Cold Cause Pneumonia.

One of the most remarkable cases of a cold, deep seated on the lungs, causing pneumonia, is that of Mrs. Gertrude E. Fenner, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I ran down in weight from 145 to 92 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength. Sold by J. Jas. Wood & Son, Druggists."

THE KATZENJAMMER KIDS.

Blondell and Fennessy's ridiculous and funny conception, the "Katzenjammer Kids," a farce-comedy in three acts and ninety-nine laughs, that is to be at the Opera-house tonight is said to be one of those out-of-the-ordinary and really funny plays. Although it is claimed there is nothing but a large amount of nonsense presented, it is all funny and makes a hit. It is a real musical farce company. It is composed of three acts, and during each act specialties of an up-to-date nature are introduced by various members of the company. This company made a big hit at Cincinnati last week. Secure your seats now at Ray's.

READ IT THROUGH.

'Twould Spoil This Story to Tell It in the Headlines.

To use an eighteenth century phrase, this is an "o'er true tale." Having happened in a small Virginia town in the winter of 1902, it is a story very much of the present. Up to a short time ago Mrs. John E. Harmon of Melfa Station, Va., had no personal knowledge of the rare curative properties of Chamberlain's Cough Remedy. "Last January," she says, "my baby took a dreadful cold and at one time I feared she would have pneumonia but one of my neighbors told me how this remedy had cured her little boy and I began giving it to my baby at once and it soon cured her. I heartily thank the manufacturers of Chamberlain's Cough Remedy for placing so great a cure within my reach. I cannot recommend it too highly or say too much in its favor. I hope all who read this will try it and be convinced as I was." For sale by J. Jas. Wood & Son.

A prominent Southern lady, Mrs. Blanchard, of Nashville, Tenn., tells how she was cured of backache, dizziness, painful and irregular periods by the use of Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—Gratitude compels me to acknowledge the great merit of your Vegetable Compound. I have suffered for four years with irregular and painful menstruation, also dizziness, pains in the back and lower limbs, and fitful sleep. I dreaded the time to come which would only mean suffering to me."

"Better health is all I wanted, and cure if possible. Lydia E. Pinkham's Vegetable Compound brought me health and happiness in a few short months. I feel like another person now. My aches and pains have left me. Life seems new and sweet to me, and everything seems pleasant and easy."

"Six bottles brought me health, and was worth more than months under the doctor's care, which really did not benefit me at all. I am satisfied there is no medicine so good for sick women as your Vegetable Compound, and I advocate it to my lady friends in need of medical help."—Mrs. B. A. BLANCHARD, 422 Broad St., Nashville, Tenn.

When women are troubled with irregular, suppressed or painful menstruation, weakness, leucorrhoea, displacement or ulceration of the womb, that bearing-down feeling, inflammation of the ovaries, backache, bloating (or flatulence), general debility, indigestion, and nervous prostration, or are beset with such symptoms as dizziness, faintness, lassitude, excitability, irritability, nervousness, sleeplessness, melancholy, "all-gone" and "want-to-be-left-alone" feelings, blues and hopelessness, they should remember there is one tried and true remedy. Lydia E. Pinkham's Vegetable Compound at once removes such troubles. Refuse to buy any other medicine, for you need the best.

A Severe Case of Womb Trouble Cured in Philadelphia.

"DEAR MRS. PINKHAM:—I have been cured of severe female troubles by the use of Lydia E. Pinkham's Vegetable Compound. I was nearly ready to give up, but seeing your advertisement I purchased one bottle of your medicine, and it did me so much good that I purchased another, and the result was so satisfactory that I bought six more bottles, and am now feeling like a new woman. I shall never be without it. I hope that my testimonial will convince women that your Vegetable Compound is the greatest medicine in the world for falling of the womb or any other female complaints."—Mrs. MAY COPE, 2660 Birch St., Philadelphia, Pa.

Remember, every woman is cordially invited to write to Mrs. Pinkham if there is anything about her symptoms she does not understand. Her address is Lynn, Mass., her advice is free and cheerfully given to every ailing woman who asks for it.

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Wakeful Children.

For a long time the two-year-old child of Mr. P. L. McPherson, 50 N. Tenth street, Harrisburg, Pa., would sleep but two or three hours in the early part of the night, which made it very hard for her parents. Her mother concluded that the child had stomach trouble, and gave her half of one of Chamberlain's Stomach and Liver Tablets, which quieted her stomach and she slept the whole night through. Two boxes of these Tablets have effected a permanent cure and she is now well and strong. For sale by J. Jas. Wood & Son.
